Cox Gives Out Interview
---Harris in Program Too

[By Telegraph to The Age]
Cincinnati, O., May 9.—In an interview here, George B. Cox, former Republican leader in Hamilton county, advised the following program: Party harmony, victory in the municipal elections this fall, and next year W. H. Taft for president, J. B. Foraker for United States senator and A. L. Harris for governor. Mr. Cox said: "I'll give you my views, my personal views, as an individual and a private citizen, and then I want to be let alone. In my judgment, the time has come for the good of the Republican party that something should be done. We are on the eve of next fall's election. Nothing should be done to endanger party success. If you will recall, two years ago we had factional differences in the party and our ticket went down to defeat. This, I hope, will not occur again. Our differences should be settled within the party, and we should go forward as one man, which will mean victory all along the line.

"Ohio has a great future. We have had great men in the past and have great men now. We should take care of them. The nomination of good clean men for the municipal office means their election, and party success next fall will be the foundation for next year's work. I would advise all my Republican friends in Ohio to take these matters into their own hands and adjust them without interference by individuals or factions. It is my best judgment that this would bring harmony and victory both.

"We must not forget that we must carry the legislature next year to elect a United States senator and get much-needed legislation, and must elect a governor and other state officers. The way to do all this, I believe, is for all Republicans to put their shoulders to the wheel in their several neighborhoods and see to it that none but true Republicans represent them. Our watchword should be 'Success for the Republican party,' and to achieve this we should support Hon. W. H. Taft for president, Hon. J. B. Foraker for United States senator and Hon. A. L. Harris for governor."

Mr. Cox denied the report that he had been engaged in the conduct of negotiations looking toward a compromise between the Taft and Foraker forces. Asked about his personal differences with Secretary Taft, Mr. Cox said: "I know of no personal differences. There may have been some political differences, but they are things of the past and will not be permitted to stand in the way of party success. I would repeat, Republicans, let your watchword be harmony and party success."

Foraker Talks.
When the attention of Senator Foraker was called to the statement, he said: "I have just read what Mr. Cox says. If I understand him correctly, he makes a specific recommendation, addressed to the Republicans of Ohio, as to what their action shall be in the convention of next year. I am not sure it calls for any response from me, but inasmuch as you seem to think it does, I will repeat that I do not want any political honors at the hands of the Republicans of Ohio except with their hearty indorsement. Therefore, if what Mr. Cox suggests and recommends should meet with their approval, no one will support Secretary Taft more cordially than I shall."

Charles P. Taft, editor of the Cincinnati Times-Star and brother of Secretary Taft, when shown the interview with Mr. Cox, said: "Mr. Cox takes a broad view of the matter. He sees the opportunity to elect another Ohio president and very wisely urges that we get together."

Central Committee to Meet.
Toledo, O., May 9.—Walter F. Brown, chairman of the Republican state central committee, stated that he will issue today a call for a meeting of that committee at Columbus on Wednesday, May 15. The purpose of the meeting will be to participate in a party conference, to which will also be invited the members of the Republican state executive committee.

for the presidential nomination and that party harmony may be restored. Mr. Brown declared he was in favor of William H. Taft for the presidency in 1908.

Taft Hears the News.
Washington, May 9.—Secretary Taft, upon being shown the dispatches from Cincinnati containing the statements accredited to Senator Foraker and George B. Cox, relative to his candidacy for the presidency and the situation in Ohio, declined to discuss them.

BOLD ROBBERY AT ISLETA

Thieves broke into the Panhandle station at Isleta Wednesday night and among other damage, cut to pieces a fine \$15 leather grip belonging to Fred Timmons of this city. Mr. Timmons' children had gone to Isleta to stay several days and the grip had been left in the depot till morning. No clue.

JACOB SCHAICH, DESPONDENT, PUTS END TO HIS LIFE

Wilmington, N. C., May 9.—(Special to The Age)—Standing in front of a mirror at his boarding house on lower Market street, Jacob Schaich, an unmarried man, 38 years of age cut his throat this morning with suicidal intent. He died two hours afterwards at the City Hospital. Schaich came to Wilmington about six months ago from Coshocton, Ohio, to accept a position as coat maker with Munson & Co. Of late he had been much depressed. His remains will be sent to Coshocton.

The sad message reached The Age at noon today and a reporter was at once dispatched to the home of Mrs. Christian Schaich on South Fourth street. A brief telegram had also been received there but it gave no particulars of the awful affair. There could be little doubt of the truth of the message, however, as the family knew that Jacob was at Wilmington.

The last letter which his mother received from him came about a month ago and at that time he seemed to have plenty of work and did not seem at all despondent. For this reason his rash act was inexplicable to them.

He was home last Christmas for a short visit. He is unmarried and lived in Coshocton for many years. The sad news has cast a veil of gloom over his home here.

Both the family and The Age wired at once for further particulars and instructions were sent to ship the body to Coshocton without delay.

He is a brother of Wm. and Otto Schaich and Mrs. Dikkenwaddle.

MAKE WOMAN OUT OF JUST JUNK

Father Adam and his famous rib are outdone by an act that comes to the Sixth Street theatre vaudeville tonight. And by the way it's "Creo."

Coshocton has been wondering for three days what "Creo" meant in the newspapers. The secret is out but if you can explain it you can have it.

Creo is a sort of Pygmalion and Galatea. There is nothing on the stage but some wood, plaster, and a cloth. From this meagre material is made a live woman.

Now you know what a woman is made of.

Cambridge saw the act the first three nights of this week and they are still guessing over there. And it takes a good deal to make Cambridge guess. The papers there say it is the smoothest illusion that ever came to town.

Other new acts tonight, beside the new pictures, are Oneida the mystic, and Lee and Tulsa in singing comedy.

Telephones were kept busy in The Age office last evening and today, following the announcement of the free trip to the Jamestown exposition, which this paper has so generously offered to the four most popular young ladies of Coshocton city and county. Many inquiries were to be made as to the details and it all the time.

OLD HOME DAY TO BE A REAL BIG ONE

There is to be a great state "homecoming" at the state fair at Columbus the first week in September, and Muskingum county has taken a step that it would not be bad for Coshocton county to follow. They have placed their order with the state agricultural board for a big tent to be erected at the state fair grounds as a Muskingum headquarters, where all former sons of Muskingum will be at home.

Invitations have been sent all over the United States by the state fair board to former Ohioans to "come home" at that time. Coshocton county has hundreds of sons and daughters all over the land. Why not a Coshocton tent at the state fair?

For Each County.
Columbus, O., May 9.—Separate headquarters for every county in the state will be provided in the plan for the great Buckeye homecoming, to be held here the first week in September. A section of the state fair ground will be set apart for the purpose, and each of the 88 counties will be provided with its own tent.

Police Court.
Mrs. Lydia Vansickle swore out a warrant before Mayor Smith Thursday morning for the arrest of Mrs. Nettie Vansickle her daughter-in-law, charging her with assault. She appeared before the mayor Thursday afternoon, but the trial was postponed until Monday. Nettie Vansickle was allowed to go on her own promise to appear Monday. Jos. L. McDowell is her attorney.

Clever Composition.
Walter Thompson, the well known singer of the Presbyterian choir, received a copyright Wednesday on a sacred song of his own composition. The name of the song is "An Answered Prayer" and the music is written by John Martin of Chicago. The music will go into the publishers' hand at once, the Imperial Music Publishing Co., of Chicago printing it.

O. E. Wolfe of Sugar Creek attended the Maccabee convention Wednesday.

Always in the lead, The Age has now come to the residents of the county and city with an offer which only serves to show more fully the progressive spirit that The Age has always striven to promote.

The first question which comes to the mind of every young lady who reads this offer is without a great loss bear the expenses of four young ladies on this most delightful and instructive trip to the Jamestown exposition and the city of Washington and, besides, send one of the young women, with a chaperone, to that gayest of cities—New York.

The question is easily answered. The Age first asks the young ladies to be so generously given by this paper.

Arduous Task of the District Court of Ada County, Idaho.

IT MAY TAKE THREE WEEKS

Defense Springs a Surprise by Retaining Former Law Partner of Presiding Judge as Assistant Counsel.
Haywood's Motion Overruled—Developments of the Day.

Boise, Idaho, May 9.—The defense in the trial of William Haywood for complicity in the murder of Governor Steunenberg sprung a surprise by announcing the retention of Edgar L. Wilson of Boise as assistant counsel. Mr. Wilson is a former law partner of Judge Fremont Wood, who is to preside at the trials. He served two terms in congress and is well known throughout the west.

By overruling the motion of the defense for a bill of particulars setting forth what overt acts, if any, there were to connect the accused with the murder of Steunenberg, Judge Fremont Wood of the district court of Ada county cleared the way for the trial of Haywood. Judge Wood held that the request of Haywood's counsel for a more explicit statement of the charges against the prisoners came too late, regardless of whether or not it might have been entertained at an earlier stage of the proceedings. In cases where bills of particulars are allowable, the man who is to preside over the trials of the accused miners declared, the motions must be made before the indictments are pleaded to and before the cases are set for trial.

The prisoner, his counsel and the attorneys specially retained to present the case and plead the cause of the state are ready for the long ordeal in court. The first, and one of the great tasks of the court, is to secure a jury. Estimates of the time necessary to select the 12 men vary, but practically none of them place the time under three weeks. The victim of the Caldwell assassination, long a conspicuous figure in the political life of the state, was possibly known to hundreds of citizens of Ada county, and personal alignment and partisanship on the labor question, in which the prisoner and his co-defendants were for a long time active leaders, is quite general, so that it is at once a difficult and delicate task to find men free from the disqualifications that unfit them for the high duty of a juror.

Haywood is the first of the four men accused of complicity in the Steunenberg murder to be selected for trial. The others, Moyer, Pettibone and Orchard, the last of whom is said to have made a confession, will be tried as circumstances dictate, following the conclusion of the proceedings against Haywood.

Maccabees Are Royal Hosts

Social Session Closes Splendid District Convention
Geo. Bordenkircher Honored

The Maccabees district convention came to a close Wednesday night, and proved to be one of the jolliest and best lodge functions Coshocton ever witnessed. The great fraternal order made hosts of new friends by the lively assemblage.

It was a nice crowd throughout and the public particularly enjoyed the splendid open air concert given by the Hyperion band of Newcomerstown in the evening, in front of the lodge rooms. The enterprise and liberality of the Newcomerstown lodge in bringing the band with them was a matter of much favorable comment. The Coshocton lodge was right with them and went to the expense of erecting the special stand that the public, hungry for a band concert, might have their wishes gratified.

The culmination came at the social session in the evening, when the center of attraction was the drill by the Lady Maccabees Guards, the list of which was published in Wednesday's Age. It was a remarkably clever exhibition. The crowd that filled the big hall tested the capacity.

At the business session of the convention late Wednesday afternoon, seven delegates and alternates were elected to attend the Ohio Grand Camp convention at Toledo June 5 and 6.

Coshocton Man One.
One of the delegates elected was George Bordenkircher of Coshocton; the others were C. W. Baker, Newark; J. C. Carr, Newcomerstown; Nathan Lee, Massillon; Dr. G. D. Arndt, Mt. Vernon; Milton Hall, Byesville; C. G. Gordon, Winfield.

The alternates elected were J. G. Sohner, Massillon; H. E. Seese, Strasburg; B. C. Bigler, New Philadelphia; J. H. Smith, Canal Dover; H. C. Young, Walhonding; E.

Young, Walhonding; H. E. Seese, Strasburg; Geo. Bordenkircher, Coshocton; John A. Case, Otsego; C. C. Crumland, Bladensburg; J. H. Smith, Canal Dover.

The Social Session
The Knights and Ladies and their friends held a very interesting social session in the evening, a very pleasant feature of which was the drill by the lady guards. They were commended very highly by the visiting officials. The music for the evening session was furnished by a special orchestra from Newcomerstown.

Great Commander Ed. L. Young and Great Record Keeper Geo. B. Scott of Norwalk, addressed the meeting in the evening, each adding greatly to the entertainment and enjoyment of the occasion.

R.F.D. BOYS TO GET INCREASE JULY

Coshocton county rural letter carriers are interested in the increase in salaries which will take effect July 1, 1907. Postmaster General Meyer has approved the detailed adjustment submitted by Assistant Postmaster General DeGraw and the new schedule will make a graded increase in the compensation of carriers of from nine to twenty-five per cent, based upon the number of miles traversed by carriers as shown by the records of the postoffice department. The readjustment will involve an expenditure for rural delivery service during the next fiscal year of nearly \$35,000,000. The new salary schedule is as follows:

24 or more miles.....	\$900.00
22 to 24 miles.....	864.00
20 to 22 miles.....	810.00
18 to 20 miles.....	720.00
15 to 18 miles.....	630.00
14 to 16 miles.....	540.00
12 to 14 miles.....	504.00
10 to 12 miles.....	468.00
8 to 10 miles.....	432.00
6 to 8 miles.....	396.00

There are now 37,400 rural delivery routes in operation. Illinois has with 2,755 routes; Ohio has 2,492 and Iowa, 2,303. The latest returns show that the average number of pieces of mail now being handled per month on each rural route is 4,425, compared with 3,688 pieces a year ago—an increase of 20 per cent.

The postmaster general has issued an order or notice that all rural mail carriers have the right of way on the country roads, and that all other carriages or conveyances must render that right of way to the rural carriers. That was the rule when the mails were carried in four-wheeled stagecoaches, and everyone had to get out of the way when the mail came along. It is a very serious matter for anyone to obstruct the transportation of the United States mails. Get out of the road when a rural free delivery carrier comes along with Uncle Sam's mail!

Jay Tompkins' green awning on Main street is ready for a coat of paint.

A crowd of people are gathered in front of the new building on Main street, where a new building is being erected.

W. Fisher, Shanesville; Geo. B. Scott, Bowerstown.

Great Commander Young and Record Keeper Scott received an increase of representation in the state at the Supreme Camp convention, and the delegates were all much in favor of increasing.

The idea of Ohio having an official paper was discussed, and the delegates seemed about equally divided as to whether they would have it or not.

The local sick benefit fund, it was decided by the delegates to increase, and carry on a benefit in the fund, so that everything would be uniform.

ON TO JAMESTOWN
The Age is glad indeed to be instrumental in providing for four young ladies of Coshocton city and county, whom the public shall name, a summer outing of unusual attraction. In sending four young ladies to the great Jamestown exposition The Age feels that it is something more than a passing prize for the one selected—it is an educational journey that will forever remain as a pleasurable asset to those going. It is something that once owned can never be lost nor stolen away. A visit to the nation's capital at Washington, a day spent in sight seeing in that greatest of all national capitals with the varied governmental buildings, the White House, the halls of congress, as well as the journey down the Potomac to historic Jamestown with all the marvelous sights there to be seen, is a trip that not all of us will be able to make—and it is in itself an education that cannot be paralleled. Every comfort will attend the party. The additional trip on to New York for the young lady receiving the highest vote will be another unfolding of the wonders of America. We all of us have ambitions to see the nation's capital and the nation's metropolis as well as the Jamestown exposition, but it is something we cannot all of us gratify. Are YOU going as a guest of The Age? It is just a trip of pleasure and education—The Age stands all the expense and planning of itineraries.

TAX INQUISITION
The result of the deliberations of the Ohio supreme court on the tax inquisitor cases is a matter of public gratification. They have decided that the enormous fees claimed under that spoils system shall remain with the county in which collected instead of going into the pocket of that public jackal. It was a bad law, that of the tax inquisitor, and its unconstitutionality is one of the best discoveries of the twentieth century. Each county has officials paid for exactly the work the inquisitors did—if they do their work. The inquisition doubtless corrected some abuses but itself grew to be one of the greatest abuses the American public ever suffered under.

Judge Nicholas found that cases vanished very rapidly at Millersburg this week. Apparently the parties to the suits managed to get together very easily when they found their cases was going to come to trial. The case called was that of Robert Henderson vs. Pennsylvania Co. for damages sustained by a team of horses that were struck by an engine at Lakeville. The case was settled the defendant paying the plaintiff \$200 and costs.
The case of James Hinkle vs. Pennsylvania Co. was settled by the defendant paying the plaintiff one hundred dollars and costs.
The case of C. D. Parkinson treasurer of Holmes county, against the estate of Frederick Knapp, deceased, was continued until June 1. There being no further business court adjourned until next Monday.

Over-burdened Women
In all stations of life, whose vigor and vitality may have been undermined and broken-down by overwork, exacting social duties, the too frequent bearing of children, or other causes, will find in
DR. PIERCE'S FAVORITE PRESCRIPTION
the most potent, invigorating, restorative, strength-giver ever devised for their special benefit. Nursing mothers will find it especially valuable in sustaining their strength and promoting an abundant nourishment for the child. Expectant mothers too will find it a priceless boon to prepare the system for baby's coming and to render the ordeal comparatively easy and painless.
It can do no harm in any state, or condition of the female system.

Delicate, nervous, weak women, who suffer from frequent headaches, backache, dragging-down distress low down in the abdomen, or from painful or irregular monthly periods, gnawing or distressed sensation in stomach, dizzy or faint spells, see imaginary specks or spots floating before eyes, have disagreeable, pelvic catarrhal drain, ulceration, prolapsus, anteversion, retroversion, or other displacements of womanly organs from weakness of parts, will, whether they experience many or only a few of the above symptoms, find relief and, generally, a permanent cure, by using faithfully and fairly persistently Dr. Pierce's Favorite Prescription.
This world-famed specific for woman's weaknesses and peculiar ailments is a pure glyceric extract of the choicest native, medicinal roots without a drop of alcohol in its make-up. All its ingredients are printed in plain English on its bottle-wrapper and attested under oath. Dr. Pierce thus invites the fullest investigation of his formula knowing that it will be found to contain only the best agents known to the most advanced medical science of all the different schools of practice for the cure of all woman's peculiar weaknesses and ailments.
Dr. Pierce's Lotion Tablets and Antiseptic Suppositories may also be used with great advantage conjointly with the use of the "Favorite Prescription" in all cases of ulceration, and in pelvic catarrh. They cost only 25 cents a box each, at drug stores or, sent by mail, post-paid on receipt of price in stamps by Dr. Pierce whose address is given below.
If you want to know more about the composition and professional endorsement of the "Favorite Prescription," send postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for his free booklet treating of same.
You can't afford to accept as a substitute for this remedy of known composition a secret nostrum of unknown composition. Don't do it.

Reception For Members At the Baptist Church

Last night the congregation of the Baptist church heard the annual report of their officers and held a reception for the fifty-three members which have united with the church within the past year, or to be more accurate, within the past six months.

The meeting was of course an important one to all the church people and the phenomenal growth along all lines in the church speaks eloquently of the excellent work done by both Mr. and Mrs. Eddy during the few months of their residence here. The report given by Mrs. Herbert Denman was a complete history of the past year and showed that fifty-five new names have been added to the church role; a number more by letter from other Baptist churches.

cent mass the following: Fluid Extract of Dandelion one-half ounce, Compound Kargon one ounce, Compound Syrup Sarsaparilla three ounces. Shake well and use in teaspoonful doses after each meal and at bedtime.

A well known local druggist states that these are harmless vegetable ingredients, which can be obtained from any good prescription pharmacy.

This mixture will clean the blood of all impurities. In just a few days the skin begins to clear of sores, boils and pimples. It puts vigor and energy into run-down, debilitated men and women. For many years Sarsaparilla alone has been considered a good blood medicine. But while it built up and made new blood, the impurities remained within and the good accomplished was only temporary. Sarsaparilla, however, when used in combination with Compound Kargon and Extract Dandelion, works wonders. This combination puts the kidneys to work to filter and sift out the waste matter, uric acid and other impurities that cause disease. It makes new blood and relieves rheumatism and lame back and bladder troubles.

will be added in the near future.

Mr. Huessel, the superintendent of the Sunday school and Mrs. Henry Robson, the secretary gave their reports which showed that the enrollment has increased materially; last year the average attendance was 60 and last Sunday there were 179 members out.

A. J. Wright, the treasurer, reported that the church year has closed entirely free from debt and that the congregation has raised this year twice as much as any preceding year.

ANOTHER WONDER OF SCIENCE.

Biology has Proved that Dandruff is Caused by a Germ.

Science is doing wonders these days in medicine as well as in mechanics. Since Adam lived, the human race has been troubled with dandruff, for which no hair preparation has heretofore proved a successful cure until Newbro's Herpicide was put on the market. It is a scientific preparation that kills the germ that makes dandruff or scurf by digging into the scalp to get at the root of the hair, where it saps the vitality, causing itching scalp, falling hair, and finally baldness. With out dandruff hair must grow luxuriantly. It is the only destroyer of dandruff. Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

**MUST HAVE
MAIL BOXES**

Just now there is considerable
talk about rural mail service and
quite a number of routes have
been discontinued. Among those
discontinued were five in Mus-
kingum county. The causes for
the discontinuance of those
routes are: bad roads lack of
patronage and a failure to ap-
preciate the service. The failure
to appreciate the service comes
from parties who refuse to erect
approved boxes on the routes
which pass their residences or
fail to take the service when the
opportunity is afforded.

The above is from the Adamsville
Register and tells a straightforward
truth. Coshocton county must ex-

A SIMPLE CURE FOR PILES

Piles sufferers know that oint-
ments and other local treatments
sometimes relieve but never cure.
They don't remove the cause.

There is a little tablet that is
taken internally, removes the cause
of Piles, and cures any case of any
kind no matter how long standing.
Ask for Dr. Leonhardt's Hem-Roid
(a thousand dollar guarantee goes
with every treatment.)

Hem-Roid is the discovery of Dr.
Leonhardt, of Lincoln, Neb., one of
the most distinguished and success-

**Even Better
Than Frumenty**

**Old English Dish Is Now Surpassed
by a Malted Grain Food.**

Writing on the food problem and ad-
vocating a rational health diet, Dr.
Josiah Oldfield, author of "The Claims
of Common Life" and other well-
known works, declares a sufficiency of
grain food is necessary and refers to
the old English dish of frumenty as a
most excellent article of food. He also
speaks of malted grain as a food for
increasing years. This eminent author
thus strikes the very keynote of health
and strength.

There is a modern food which em-
braces all the qualities of frumenty
and has even more, for it is malted
grain. We refer to Malta-Vita—all
pure grain and nothing else.

Malta-Vita is made by an extended
and elaborated process of the old way
of making frumenty. The whole wheat
grain is thoroughly cleaned, then
boiled in water and cooked in steam
to gelatinize the starch. After the
starch cells have broken down, the
wheat is mixed with pure barley
malt extract which converts the gelati-
nized starch into maltose, or malt
sugar, highly nutritious and easily di-
gested even by the weakest stomachs.
Then each grain of wheat is rolled
into little wafer flakes and goes to the
great ovens where, under intense heat,
it is baked crisp and brown, "done
to a turn," and ready for your table.

All grocers sell Malta-Vita. 10 cents

Married Women

Every woman covets a shapely, pretty figure, and many of them deplore the loss of their girlish forms after marriage. The bearing of children is often destructive to the mother's shapeliness. All of this can be avoided, however, by the use of Mother's Friend before baby comes, as this great liniment always prepares the body for the strain upon it, and preserves the symmetry of her form. Mother's Friend overcomes all the danger of child-birth, and carries the expectant mother safely through this critical period without pain. It is woman's greatest blessing. Thousands gratefully tell of the benefit and relief derived from the use of this wonderful remedy. Sold by all druggists at \$1.00 per bottle. Our little book, telling all about this liniment, will be sent free.

Annual Election to be Held
---Something New
is on

The annual election of officers of the Coshocton Business Men's association will take place at the May meeting tonight at their rooms in the Gray building. There were a number of splendid nominations made at the last meeting and the voting promises to go some tonight. Beside this, a number of new matters of importance are coming up—for the good of the order—and a full representation of members is expected. No business men can afford not to attend these meetings.

WHAT THE KIDNEYS DO

Their Unceasing Work Keeps Us Strong And Healthy.

All the blood in the body passes through the kidneys every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—pain in the back, headache, nervousness, hot, dry skin, rheumatism, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right you will have no trouble with your kidneys.

W. O. Wright, 113 North Fifth street, Coshocton, Ohio, says: "For two or three years I had more or less trouble with my back and kidney's secretions. I seemed to have always a dull aching pain in my back which if I did any hard work was greatly aggravated. At times these pains were very severe and I could not stoop or bend at my work. The kidney secretions were quite active and I frequently had to get up at night three or four times. This caused me to lose much needed rest and in the morning I felt as tired as when I went to bed. Seeing Doan's Kidney Pills advertised in the papers, I procured a box at Siegrist & William's drug store and was also momentarily relieved by it. I am now using the second box and am feeling better than I have for years."

For sale by all dealers. Price 50 New York, sole agents for the United States. Remember the name—Doan's—and take no other.

**Mayor Stoneburner
Stands Pat**

Mayor Stoneburner of West Lafayette, telephoned The Age Thursday morning that he was "standing pat" on his \$6 fine against the Coshocton motorist who had violated a village ordinance by running his machine on a sidewalk. "We have the best of friendly feeling toward Coshocton people and automobile folks," he said, "but it is simply a matter of protecting that walk. I do not for a moment think that Mr. Heiman purposely transgressed, but we have only one thing to do. The case will be definitely settled this week. We have had to inflict a number of fines for this sort of violation."
